

Introducing the new Magicard NEO

ID-card printers specifically built for African & Middle Eastern markets.

Magicard NEO brings together a network of local dealers offering market-leading technical support and service capability with the best of Magicard's expertise in ID-card printing.

Whatever your ID-card printing requirement is and regardless of the size of your business, the Magicard NEO range has the printer for you.

360 NEO

Enduro NEO

Pronto NEO

Professional

The 360 NEO is a powerful way to create secure ID cards in high volumes. Each full colour, single-sided card with HoloKote®, can be printed in under 23 seconds giving the 360 NEO the ability to print up to 156 cards per hour.

Standard

Robust, durable and reliable, the Enduro NEO is perfect for schools, colleges and medium sized businesses. When it comes to secure and reliable ID card printing, you can trust the Enduro NEO to deliver.

Hand-fed

Incredibly easy to use with drop-in dye film and hand-fed card loading, the Pronto NEO includes the HoloKote® visual security system and can print colour, monochrome or rewritable cards. Its plug-and-play setup and compact footprint are ideal for portability and lower volume card printing.

Secure ID cards for every budget, industry and application

Cards have become a part of everyday life. Used for gaining access to buildings and facilities, verifying that individuals are who they say they are or simply being used to purchase goods or services, cards have become the ubiquitous global standard for identity.

Discover how secure ID cards, printed and programmed with Magicard NEO products, can be used across multiple applications in your industry sector to improve efficiency and productivity and most importantly, to protect and secure your organisation.
